

Open Day talks and activities

Before each Open Day we post out an event specific programme which tells you exactly what will be happening when. To get your programme [book on an Open Day](#).

In the meantime here's a run down of the talks and activities you can expect to find.

Subject fairs and talks

You can attend a talk about the subject you are interested in. Our teaching staff will also be available throughout the day to talk to you one-to-one about the course you want to study.

Campus tours

Explore our St John's Campus in the company of a current student. You can ask them any questions you have about the University along the way.

Accommodation

You'll have the chance to visit our on-campus halls of residence throughout the day. You can look round the rooms and communal areas, and to speak to the students who live there.

University life

Chat with experts from our Finance, Admissions, Disability & Dyslexia, Earn as You Learn, Study Abroad and Employability teams. They will be available all day for a one-to-one discussion. There will also be a number of University Life talks during the day.

Help and support

Get advice and top tips on your application from recent graduates. You can also take a dyslexia screening test for free. Our staff and current students will be on hand all day to help point you in the right direction and offer advice.

Unitots Nursery

If you're looking at childcare options for your time as a student visit the University's Nursery, Unitots.

Explore the city

Shuttle buses run every 15 minutes to our campuses including the Garage, Arena, City Campus, the School of Law and The Hive library. You can hop on and hop off at any point, so it's easy to see all our facilities in one day.

At the end of the Open Day you can join a guided walk into the city centre, to explore the beautiful city of Worcester for yourself. It's easy walking distance from the campus (but you can hop on the shuttle bus if you prefer!).
