Wired and wireless internet access, utility costs, and free gym membership are also included.

Your place guaranteed.

If you're applying to be a first year undergraduate student and accept a conditional or unconditional offer as your first choice by 1 May and apply for accommodation before 31 May, you are guaranteed a place in our University-managed accommodation.

Places are allocated on a first-come-first-served basis, so the earlier you apply, the better chance you have of securing one of your preferred accommodation options.
