

Applying as an FD, HND or top up student

The University of Worcester welcomes applications from students who are completing a Foundation Degree or an HND to top up to a degree.

How to apply

If you are already a University of Worcester student, apply using the internal University of Worcester application form available via your student SOLE page.

For all others applying for part time study, apply on the [UW application form](#).

For all others applying for full time study, apply via [UCAS](#).

The merit of each application will be considered individually.

When to apply

There is an official UCAS deadline for applications in January. If you miss this deadline, don't worry! There will be a number of courses still taking applications throughout the remainder of the year.
