

Current international students

All students at the University of Worcester are offered support from central services. On this page you will find links to additional social and academic support which you may need as a student studying away from home, sometimes in a foreign language.

For more detailed information, please consult your [SOLE](#) pages or come to [firstpoint](#) in the Peirson Study and Guidance Centre on St John's Campus; our advisers will either help you on the spot or refer you to a specialist if necessary.
